

The Scott Coopersmith Stroke Awareness Foundation

GRANT GUIDELINES & APPLICATION FOR ASSISTANCE

The grant application is for individuals living in Florida with injuries resulting from a stroke. The Foundation's Board of Trustees meets monthly; however, you may submit your application at any time during the year. Applicants will be contacted no later than 30 days after the Board of Trustees' meeting. Grants are awarded based on need and will go into a queue to be paid.

If a family has outstanding treatment-related expenses that insurance will NOT cover, our Foundation can possibly help out a family in need until our annual funds have been exhausted. Once the Foundation determines your eligibility, we will contact you confirming what funds may be provided to which provider(s) on your behalf. If the information in our application is complete and we cannot help you with funds you will be notified. We reserve the right to ask for additional documentation to aid in our grant review process.
